## Birthdays and Anniversaries

Just because we won't be  
together to celebrate your  
special days doesn't mean  
we will forget you owe us  
a cake.

**Happy Birthday  
Everyone**

## Welcome to The Tivoli Tattler

Hi Everyone, hope you are all staying happy and healthy in isolation.

You might not be aware but the Tivoli Tattler is now available on our Tivoli Website. This is a great opportunity to spread the word about Tivoli. Invite your friends to look at our website and they can either read the Tattler on site or download the PDF.

Trying to stay connected while staying safe is becoming a Challenge. I find myself missing the small stuff, like meeting you all at the Tiv for rehearsals or having a coffee with friends. Still the house is cleaner, so that's a positive.

In an effort to keep you all engaged, I thought we would include a pop quiz courtesy

of Sandy so here it is.

### Six Songs Six Stage Shows

Name the show the following songs come from (no google allowed)

- One Day More
- Sit Down Your Rockin the Boat
- The Last Night of The World
- Electricity
- Seasons Of Love
- On The Street Where You Live

Honestly how did you fare? The answers are on the back page, just to be difficult they are printed upside down.

Hopefully we will start to include some other quizzes and competitions as time goes on. Unfortunately these will only be open to our members due to logistic but everyone can do them.

Keep Creating

Jean

## Joke Corner

This issue's joke is from our very funny David.

A smart old woman for most of her life, finally retired.

At her next check-up, the new doctor told her to bring a list of all the medicines that had been prescribed for her. As the doctor was looking through these his eyes grew

wide as he realised Grandma had a prescription for birth control pills.

Mrs. Smith, do you realize these are birth control pills?" "Yes, they help me sleep at night."

"Mrs. Smith, I assure you there is absolutely nothing in these that could possibly help you

sleep!"

She reached out and patted the young doctor's knee and said, "Yes, dear, I know that. But every morning, I grind one up and mix it in the glass of orange juice that my 16-year-old Granddaughter drinks. And believe me it definitely helps me sleep at night."

You gotta love Grandmas!

## Recipe - Jeanette's Chicken with mozzarella and sun dried tomatoes

Ingredients (Serves: 4 Prep time:10 mins)

4 Chicken Breasts (boneless)  
Mozzarella cheese (4 thick slices 125g)  
Sundried Tomatoes (up to your tastes)  
2tblsps Olive Oil  
8 slices of Parma Ham or Prosciutto  
Pepper  
Lemon Wedges to serve

### Method

Butterfly the chicken breasts.

Stuff with a slice of mozzarella cheese and sun dried tomatoes, season with pepper.

Heat oil in fry pan add chicken breasts and fry for 4 minutes each side.

Then cook in preheated ceramic casserole dish

at oven temperature of 200C or gas 6 for 15 minutes.

Meanwhile pan fry the ham for 1 minute just to make it crispy.

Serve the Chicken pieces each topped with 2 slices of parma ham and a wedge of lemon.

Serve with roasted vine tomatoes and rocket.

It may be strange to use the lemon but it really makes a difference.

Enjoy

## Elaine Mersch

As a child I did some ballet and as an adult I did some tap dancing. In high school my favourite subjects were science, tech drawing and art.

I learnt to sew from my mum as she made all of my clothes. I started as a child by making dolls clothes and then made most of my two children's clothes when they were young, as well as most of my own. I have also made quilts, curtains, ball gowns and bridal gowns.

I like routine, from my daily early morning walk, to the order I do my housework in. I love gardening, cooking and delving into my family's ancestry. I love spending time with my family and friends. But my biggest love is my two grandsons.

I have been married 40 years on 10<sup>th</sup> May this year, which happens to be Mother's Day I love spending time with my family and friends.

I first became involved with the Tivoli when my daughter joined the Tivolettes and as parents needed to help, I helped with the sewing. A couple of years later, as well as the Tivolettes, she joined the cast of the Tivoli as a dancer, and again I helped with the sewing there too. Within another couple of years I became Wardrobe Mistress when the previous woman left, and have been doing this job ever since. As well as doing costumes I have also been Bookings Manager and Treasurer in the past. This is my 27<sup>th</sup> year with the Tivoli Club.
